The Only CTA-endorsed 403(b) Retirement Savings Program

### The Only CTA-endorsed 403(b) Retirement Savings Program

One of the great benefits of being a member of California Teachers Association is the access to exclusive products and services, including the CTA-endorsed 403(b) Retirement Savings Plan.

- Low, transparent fees
- No commissions, no surrender fees
- High quality, low-cost investments
- Professionals to help you make decisions
- A fiduciary standard of care

### Helping CTA Members Retire With Dignity

On average, your CalSTRS pension will provide a little over half of your final salary in retirement. It's a great start, but members need to save more on their own to secure a solid retirement. The CTA 403(b) Retirement Savings Plan is the only CTA-endorsed 403(b) program in California.
